The best blend of natural materials and intelligent design. Nature's Star® mattresses are available with firm, yet plush, natural cotton padding around a 336 count innerspring coil system. Add our exclusive natural cotton internal fire barrier, and this combination offers a comfortable natural environment for your child. The fabric is a nontoxic, medical grade knit that is waterproof, hypoallergenic, antimicrobial, and easy to clean with a damp sponge or antibacterial wipe. It is recommended to occasionally flip the mattress to prevent wear. Nature's Star® mattresses offer a 6" deep profile. **Available sizes: crib only.**
